Our Mandate

The Real Estate Act states that the Foundations purpose is to promote and undertake:

- the education of related professionals and the public in respect of the real estate industry, law reform and research in respect of the real estate industry, and
- law reform and research in respect of the real estate industry, and
- other projects and activities to advance and improve the real estate industry.

Our Vision

Stronger real estate industry. Stronger Alberta.

Our Mission

To make strategic investments, form partnerships, and support initiatives that benefit Albertans through the real estate industry in all its forms.

Our Model

Our Funding Programs

Sponsorship, requests up to \$10,000

Our Sponsorship program allows the Foundation to respond nimbly to the needs of its stakeholders across the province and strengthen its connection to the industry through the support of industry-related initiatives and community events.

Development Grants, requests between \$10,000 and \$25,000

Development Grants kick start initiatives that support and advance education, research, law reform, and other activities related to real estate across our three focus areas of Real Estate Leadership, Built Environment, and Land.

Investment Grants, requests between \$25,000 and \$250,000

Investment Grants offer a pathway for deeper support for initiatives that advance education, research, law reform, and other activities related to real estate across our three focus areas of Real Estate Leadership, Built Environment, and Land.

Next application deadline: April, 30
